

# SYNERGY PERFORMING COMPANY

Synergy Performing Company offers even more to our students with additional productions, special events performances, and unique learning opportunities. The company is open to everyone ages five and up at all skill levels. A major highlight of Synergy is the company show opener that will be performed at the beginning of our annual recital. In addition to our annual company production, Synergy dancers will have the opportunity to perform at various local events in addition to outreach appearances at local assisted living centers. As a company member, dancers may also have the opportunity to take a special workshop style class each year to further their education and expand their horizons to new teachers and styles of dance.

*It is our vision to instill in your child a love for the art of dance, while building self-esteem, strong work ethics, and commitments, as they strive for excellence using the gifts they have been given. Synergy company members not only get to experience amazing new opportunities but also learn modesty, respect, to persevere, and encourage each other while learning and growing as an individual and as a team.*

## **Synergy Teams:**

- Petite
- Junior
- Senior
- Elite

## **Commitment: (Mandatory)**

- August 2019 – August 2020
- Consistent attendance in Synergy Performance Company classes
- Local and YMCA performances
- Volunteering/community performances

## **Additional Opportunities: (Optional)**

- Synergy company show opener (additional cost)
- Dance workshop, convention or class (additional cost)

## **Local Events/Performances:**

- There is NO cost for local events, unless it is an event that requires admission. Then only the spectators pay. These are great opportunities for students to have on applications in years to come.
