

Dear Parents/Guardians,

WELCOME TO THE KASPER PROGRAM! My name is Matt Grossi, and I am the Youth and Family Director, who manages the overall care, education, and well-being of all children in the Campanelli YMCA KASPER Before & After School Program.

I appreciate your interest in our programs and welcome you to the KASPER Program! I have spent the last couple years as part of the Campanelli YMCA family.

As a YMCA Kasper alum, it brings me great joy to contribute to the program that took place as shaping me into the man I am today. I have always appreciated the joys and challenges of working with children and have pledged to provide the best possible care and enrichment opportunities to the children within our YMCA KASPER Program.

As a continuous learner, I place a high value on my own education, currently progressing through a bachelor's in mathematics at Illinois State University.

Education has always been my passion, and I am always seeking new opportunities to grow my own mindset, as well as those working within my program. My goal is to get to know every child within our program, to understand and adapt to their needs while providing an enriching yet fun atmosphere for them to learn and grow. I invite you to consider me a "partner" in this process of educating your child and welcome your feedback when it comes to our programs and the needs of your children and family. If you have any questions or concerns about the program or what our care entails, please do not hesitate to contact me at your convenience. We thank you for choosing our childcare program!

With Warm Regards,

Matt Grossi

YMCA Mission

The Campanelli YMCA is a branch of the Golden Corridor Family YMCA Association. The Y is a nonprofit organization whose mission is to put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

Guided by our core values of caring, honesty, respect, and responsibility, the Y is dedicated to giving people of all ages, backgrounds, and walks of life the opportunity to reach their full potential with dignity.

Our Cause

Strengthening communities is our case. Every day, we work together side by side with our neighbors to ensure that everyone regardless of age, income, or background the opportunity to learn, grow, and thrive. Our strength is in providing support for our friends and neighbors, making the Y a nonprofit like no other.

Inclusion Policy

The YMCA fully embraces the Americans with Disabilities Act and strives to ensure children with special needs feel welcome in YMCA programs. The Campanelli YMCA's Before and After School Program provides services to all children. However, the programs we provide are group-centered and are not designed to provide one-on-one individualized care. Although the group environment works well for many children, if your child regularly needs one-on-one care to consistently thrive, a group environment may not be the best fit for their needs. If the YMCA determines that a child requires individualized attention, the YMCA shall immediately discuss this issue with the child's parents/guardians. Parents will be reminded of the above policy and together, we will attempt to work out a solution in a cooperative and caring manner, or refer the child to a more suitable program.

Any extended absences (such as vacations or extended illnesses) should be brought to the attention of the Youth & Family Director via email.

PERSONAL ITEMS & ELECTRONICS

Personal Belongings, Toys, & Other Items

Please leave personal belongings and toys at home, including electronic games and listening devices. Items from home could be damaged or lost, and they may promote conflict among the children. If your child brings personal items to our Before & After School Programs, staff will instruct the child to keep items in their backpack for the duration of the program.

YMCA program staff will make every effort to connect children with lost items; however, the YMCA cannot be responsible for personal items brought from home. We strongly encourage that all personal belongings (such as coats, hats, boots, etc.) be clearly labelled in the case that they are misplaced.

Found items will be kept in the program storage for one week. Any belongings left behind after one week will be moved to the school's lost and found.

Cell Phones & Electronics

The use of cell phones or other electronic devices is prohibited by children participating in YMCA childcare programs. Cell phones or other electronics that are found to be in use by children during the program will be held by the Site Director and returned to the parent/guardian at the time of pick-up.

District-Issued Device Usage

Each of our partner districts has assigned the use of Chromebooks or iPads to children throughout the district. While attending the Before & After School Program, device usage is restricted to homework time ONLY to complete assignments, and must be safely stored out of sight during the remainder of the program. Children are allowed to use their device for homework purposes only – general internet usage for other reasons is not allowed.

Device privileges may be revoked if the device is used to access inappropriate content or if the device becomes a distraction from the rest of the YMCA's program activities.

The YMCA is not responsible for devices that are misused, broken, or misplaced/stolen during program hours. Parents are encouraged to refer to your district's device usage policies for further information regarding their child's device.

SNACK POLICIES

Morning & Afternoon Snack

The YMCA provides a healthy snack for all children attending the before and after school programs. Parents who would like to send an additional snack are asked to send shelf-stable and allergen-free snacks. Additionally, children will not be permitted to finish any uneaten portion of their lunches due to the risk of spoilage or contamination from lack of refrigeration.

Food Allergies & Dietary

The YMCA understands that children in our programs may have a dietary restriction or food allergy that prevents them from eating the snacks provided by the YMCA. In these instances, parents are encouraged to submit documentation to the Youth & Family Director if your child will need to bring a snack from home. Children with documented dietary/allergy restrictions will be allowed to bring a snack from home, provided that it is a healthy, nut-free snack (please no candy, cookies, etc.).

Please note: children with food allergies are strongly encouraged to have the appropriate medication (such as Epi-Pen or Benadryl) with documentation on file in the event of an allergic reaction during the Before and After School Program. Our program staff do not have permission to access the nurse's office during our program hours.

PROGRAM REGISTRATION AND PAYMENTS

Registration Procedures

Children are accepted on a first come, first serve basis and we maintain a waiting list for any sites that are full. All registrations must be completed and submitted online (CCAP or DCFS funding parents, please see the following section).

A one-time, non-refundable registration fee of \$50 will be charged at the time of registration for each new registrant. Please note that this fee only covers the registration for the 2023-24 school year program.

Families utilizing IDHS/CCAP or DCFS funding to help cover the cost of childcare should reach out to the Youth & Family Director for registration forms, as the online portal will ask you to pay full price for the month at the time of registration. Please contact the Youth & Family Director at mattg@gcfymca.org for more information. As a reminder, you must have proof of approval from the state in order to begin the program. Without approval, parents will be responsible for the full cost of the program until the approval is submitted.

Parent of Record

Please note that the parent(s) who complete the enrollment registration forms for their children are defined as formal "Parent(s) of Record". These parents are recognized by the YMCA as the individuals who have authority to make changes, request payment information, or request copies of registration paperwork. ONLY parents who are noted as such in the online registrations system will be considered "Parents of Record".

Release of Personal Information

The Golden Corridor Family YMCA will not release any personal information regarding any child or family, unless the parent of record requests such release and has signed the Release of Information form. Please note that the photo release waiver is included in all paperwork upon sign up, and photos or videos taken during program hours may be used for YMCA publicity purposes. Request for exceptions should be sent directly to the Youth & Family Director at mattg@gcfymca.org

Registration Processing

The YMCA Before & After School Program begins on the first day of school. If starting on a different date, the Campanelli YMCA requires a minimum of two business days to accurately enroll the child and inform the school. Please contact the Youth & Family Director via email if your child requires an alternate start date.

2023-2024 SCHOOL YEAR PAYMENT INFORMATION

Tuition is billed in equal payments and is due on the 1st of each month. The rate for each month is determined by the total number of in-school attendance days during the school year. Our team has determined the total yearly cost of attendance and split it into a monthly fee. This helps many families maintain consistency in their financial records. All payments are billed in equal installments and there are no prorated months.

Registrations received after the 1st of the month will be billed at the time of registration, including the \$50 registration fee. Automatic monthly payments are then set up for the amount remaining.

Delinquent Fees

Before and After School Program payments are due on the 1st of each month. For any payments that are two weeks late or more, childcare services will be suspended until the balance is paid in full. If payment remains unpaid for three weeks, collection procedures will be initiated, and the child will be unenrolled from the program. Program payments that are more than 1 week late will be subject to a \$20 late fee.

Declined Payments and Returned Checks

A non-refundable \$30.00 service fee will be assessed for any returned checks or payments declined by your bank or credit card provider. If a personal check is returned from the bank, parents are expected to pay using cash, credit card, or a money order. Please ensure your billing method is updated prior to the first of the month in order to avoid this fee.

Refund Policy for Non-Attendance Days

We do NOT offer credits or refunds for days a child cannot attend the program due to illness. However, any extended absences due to illness lasting more than a week may be eligible for a system credit, provided that a

note from the child's Primary Care Physician has been submitted. Refunds are also not issued for instances where any of our partner school districts cancel due to inclement weather, or for any other reason.

Parent Notice of Cancellation

While we hope to maintain a strong partnership with each of our families throughout the duration of the school year, we do understand that things happen and plans change! In the event that you need to cancel your childcare for any reason, the Golden Corridor Family YMCA requires a 2-week written notice for all program cancellations, including the Before and After School Program. A written cancellation request must be on file with the Youth & Family Director two weeks prior to the next scheduled billing date in order to receive a refund or a credit. You can send this via e-mail or stop at the Campanelli Branch to fill out a form in person.

Care Schedule Policy

The YMCA Before & After School Program is designed for consistency in attendance. Parents/Guardians must designate a consistent care schedule in order for their child to attend the program. PARENT CONDUCT AND COMMUNICATION

Adult Code of Conduct

The YMCA asks that all adults abide by appropriate rules of conduct. Please be mindful of the YMCA's character code of conduct to enable each of the Y's core values. The following behaviors are NOT allowed:

1. Being disrespectful

2. Physical or verbal abuse of any kind
3. Being under the influence of alcohol or drugs
4. Loitering at the program site
5. Smoking on site
6. Confronting or correcting other children enrolled in the program
7. Confronting other parents or guardians in the program

Please note all YMCA staff are carefully screened and background checked to care for your children. Program parents may not loiter and are expected to sign their children out and leave. The YMCA's first responsibility is the safety of every child.

Parent Custody Policy

YMCA staff and management make every effort to communicate effectively with parents. For those parents who are involved in custody, visitation, and/or other domestic disputes, please understand that the YMCA will not become involved in any of these matters. These issues are best handled between you and your attorney. Children can only be released to parents, guardians, or other adults who are listed on the child's authorized pick up list. In the event of a custody dispute, we must rely on information provided by the enrolling parent.

Camera/Video Policy

Video recorders, cameras, or other visual recording devices are not allowed on the premises without consent of YMCA management. Please see our front desk staff for specific details. The Golden Corridor Family YMCA will prosecute, to the full extent of the law, anyone caught taking inappropriate pictures of another person. In addition, YMCA membership and program participation privileges will be revoked.

No Firearms Policy

It is the policy of Golden Corridor Family YMCA to maintain an environment that is safe for all persons, including the community, and conducive to attaining high work standards. To achieve these objectives, the YMCA is committed to a strong stand against firearms and weapons in wherever Y programs are held, including buildings, grounds, and schools. It is the Golden Corridor Family YMCA's policy to maintain a firearms and weapons free environment and prohibit the possession of firearms and weapons regardless of any license or permit that an individual may have which would otherwise authorize the individual to carry firearms or weapons. The Golden Corridor Family YMCA will strictly enforce this policy.

DCFS Mandated Reporters

The YMCA staff have a social responsibility to report suspicion of child abuse or neglect to DCFS. State law requires professionals in education and childcare to become trained as mandated reporters to protect all children. Authorities will also be called immediately if YMCA staff suspect a parent/guardian is under the influence of drugs or alcohol, or if they witness an act of child abuse.

Childcare Tax Statements

Yearly childcare tax statements can be obtained by contacting the Youth & Family Director via email at mattg@gcfymca.org

Discipline and Guidance

A positive guidance approach is used to help children develop positive self-esteem, build trust in the world around them and develop autonomy and pride in their work. A supportive, nurturing environment with caring adults is the first step in the development of inner control and appropriate behavior. Our staff set limits by using a set curriculum, which provide structured choices for children. By allowing children to assume responsibility for their actions, they develop self-control and become aware of the rights of others. Consequences (logical and natural) developmentally related to the child's behavior might include reinforcing positive behavior, modeling appropriate behavior, and assisting children with finding words to describe how they are feeling.

PROGRAM PARTICIPANT CONDUCT

Participant Character Contract

The goal of our program is to provide a safe and healthy atmosphere for children to develop a variety of skills and relationships while participating in activities. Throughout the year, we utilize our Character Development Mission to emphasize the core values of the YMCA and develop respect, responsibility, caring, and honesty among each participant. Please review the character contract as a family.

YMCA Program Expectations:

1. No foul language

2. No threats to staff or peers
3. Keep our hands to ourselves
4. Respect staff & other campers
5. Follow through with activity expectations
6. Cannot leave designated group area without notifying staff
7. When attending trips, must adhere to the location's rules & regulations
8. Will follow along with daily schedule of groups

In order for our programs to be successful for all students; cooperation, respect and self-control must be our expectations for every child. Our team is more than willing to work you and your child(ren) to provide appropriate interventions within reason. When a child demonstrates that they have not followed the rules/expectations of the YMCA, the following will take place:

- 1. First Violation** – a staff member will address and document the issue directly with the child. The child may be removed from an activity for the day such as swimming, free time, etc. Parents will be contacted during the day depending on the time of the incident. HEALTH AND WELLBEING

Children Presenting Illness

The wellbeing and safety of children in the YMCA childcare programs is the YMCA's first priority. If a child show signs of illness while in the program such as vomiting, fever, temperature of 100.3 degrees or higher, diarrhea, or symptoms of Covid-19 or any other illness, the parent or guardian will be called and required to pick up the child as soon as possible.

A sick child will be separated from others and allowed to rest until their parent or guardian arrives. Children showing symptoms of illness or fever may return to the program after they have gone 24 hours fever and vomit-free without the aid of medication.

Emergency Medical Care

YMCA staff are careful to ensure the safety of the children in our care and are trained in CPR and First Aid. If a child is involved in a minor incident, appropriate first aid will be rendered by program staff. Parents will be given an "ouch" report for these injuries as needed. Parents will be notified immediately for any moderate or severe injuries. If the parent or guardian cannot be reached, the program staff will begin to contact the child's emergency contacts. For critical injuries, staff will call 911 and have the child transported by ambulance to the local hospital if deemed necessary by paramedics.

Insurance

Medical, dental, and accident insurance for each child are the responsibility of the parent or guardian. The Golden Corridor Family YMCA DOES NOT provide individual insurance coverage.

Medications

YMCA staff cannot administer any non-prescription drugs such as aspirin, Tylenol, cough syrup, etc. Medication prescribed by a physician may be administered by the staff only, if in the prescription bottle. Each parent must fill out a medication distribution form before medication can be administered.

Prescribed medication must be in its original bottle and be marked LEGIBLY with:

1. child's full name
2. name of medication
3. dosage/directions for administering
4. name of physician

Medication of any kind **MUST** be held by the staff. We store all medication in a locked box or in a unit leader's first aid kit when necessary. All medication is administered by trained staff.

Inhalers: If your child requires an inhaler and you wish for them to self-administer **ONLY** inhaler medication, **you still must fill out the medication form and note that the child is permitted to self-administer.**

**** It is no longer necessary to provide immunization records to attend YMCA programs.**

Allergies

It is your responsibility to let us know on the medical form if your child has any allergies along with your child's possible reaction should they come in contact with the allergen. **Due to the high number of Golden Corridor Family YMCA keeps programs nut-free. Nut products are not permitted, including peanut butter sandwiches and Nutella.**

DCFS Mandated Reporters

The YMCA staff have a social responsibility to report suspicion of child abuse or neglect to DCFS. State law requires professionals in education and childcare to become trained as mandated reporters to protect all children. Authorities will also be called immediately if YMCA staff suspect a parent/guardian is under the influence of drugs or alcohol, or if they witness an act of child abuse.
