YMCA summer camps offer an action-packed, adventure-filled experience, where young people can make new friends while having a whole lot of fun! At camp, kids laugh, learn, explore and grow, while creating memories and friendships that last a lifetime.

The Y's summer camp program creates opportunities for kids to learn new skills, be creative, build self-confidence and gain independence in a safe, fun and nurturing environment. For these reasons and so many more, hundreds of area children attend summer day camp at the Y; to belong, achieve and build relationships.

OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

OUR CAMP PHILOSOPHY

Fostering friendships is vital to the camp experience. To ensure campers develop meaningful relationships, they are grouped by age and each group participates in frequent team-building and leadership activities. We are committed to creating a camp community that promotes healthy friendships amongst all campers and staff.

OUR COMMITMENT TO YOU

We believe the values and skills learned early on are vital building blocks for life. At the Y, children and teens learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow. Our reputation for consistency and safety, as well as our focus on youth development, gives parents the confidence they need to trust us with their children.

OUR STAFF TEAM

At YMCA camp, caring and professional role models are committed to helping kids build confidence and character. The dedication and professionalism of our highly trained staff is extraordinary. All YMCA Day Camp staff are 16 years of age or older and have been trained and certified.

WHAT TO BRING

Children should wear simple, non-restrictive clothing and gym shoes. Campers should dress for the weather, as most camp activities are held outside.

ALL CAMPERS GET A FREE T-SHIRT!
