CAMP LOCATED AT CAMPANELLI YMCA  
300 W. WISE RD.  
SCHAUMBURG IL 60193

Campanelli YMCA summer camps offer an action-packed, adventure-filled experience, where young people can make new friends while having a whole lot of fun! At camp, kids laugh, learn, explore and grow, while creating memories and friendships that last a lifetime.

The Campanelli Y's summer camp program creates opportunities for kids to learn new skills, be creative, build self-confidence and gain independence in a safe, fun and nurturing environment. For these reasons and so many more, hundreds of area children attend summer day camp at the Y; to belong, achieve and build relationships.

## OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

## OUR CAMP PHILOSOPHY

Fostering friendships is vital to the camp experience. To ensure campers develop meaningful relationships, they are grouped by age and each group participates in frequent team-building and leadership activities. We are committed to creating a camp community that promotes healthy friendships amongst all campers and staff.

## OUR COMMITMENT TO YOU

We believe the values and skills learned early on are vital building blocks for life. At the Y, children and teens learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow. Our reputation for consistency and safety, as well as our focus on youth development, gives parents the confidence they need to trust us with their children.

## OUR STAFF TEAM

At YMCA camp, caring and professional role models are committed to helping kids build confidence and character. The dedication and professionalism of our highly trained staff is extraordinary. All YMCA Day Camp staff are 18 years of age or older and have been trained and certified.

## COVID-19 NOTICE

Passport to Summer operating procedures during COVID-19 will be consistent with CDC guidelines. All children are required to wash their hands with soap and water or use hand sanitizer before entering the program. All children are required to wear a face mask when indoors, except while eating or drinking. Children may remove their mask outdoors when social distancing can be maintained. Staff are required to wear face masks at all times. Due to IDPH Guidelines, all water fountains in the YMCA are turned off and out of order. Camp staff will refill campers' water bottles from sealed Hinckley Springs water dispensers. Childcare staff have been trained extensively on CDC and IDPH guidelines regarding cleaning and sanitization. The YMCA is utilizing a contact-free drop off and pick up routine to maintain social distance among parents and campers. Upon arrival, staff will perform a temperature check and symptom screener prior to the camper exiting the vehicle. Thank you for understanding and following COVID guidelines that will keep us all safe and healthy.
