

# 2022 Adventure Princess SPRING CAMPOUT

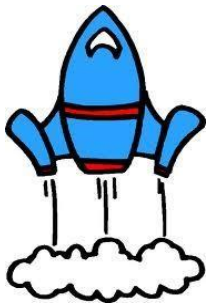

## ROCKET RACE

**SATURDAY, April 30<sup>th</sup> at CAMP TECUMSEH**

\*Race fee included in Spring Campout Registration

THEME: **Favorite Movie**

### AWARDS

- **Best example of the theme**
- **Most colorful**
- **Craziest**
- **Most Artistic**

### RULES:

- Max Length: 12 inches
- Max weight: 8 oz.
- 2 hooks per rocket made from medal (no glass hooks).
  - Both hooks must have opening to hang on wire
- Front hook needs to be 2" (+ or - ¼ ") from the nose
  - If you are using flat wide hooks – we will measure at center of the hook
- Back hook needs to be 6" (+ or - ¼ ") on center from the front hook
  - This means rocket cannot be shorter than 8.5"
- Rocket hook placement will be measured at check-in
  - rockets will need to be modified if not within guidelines.
- Gravity propelled rocket designs only – no motors
- "Metal Bullet" rockets have been banned

\*No kits provided. Rockets can be created from kits purchased at hobby shop, or created from materials found around the home such as 2-liter pop bottles, tennis ball cans, pieces of wood, etc. Imagination and creativity encouraged.
