<p>Chapel</p> <p>The Camp Edwards chapel is located on top of sunset hill, just past the tube slides. It can be used for religious meetings, a great outdoor meeting place for classes, or a spot for quiet contemplation.</p> <p>This secluded place high above camp can seat 150 people.</p>

<p>Tube Slides</p> <p>The tube slides are one of our most popular attractions here at camp Edwards. The two slides, Lisa's Leap and Harron's Run, are year round sledding hills where students will have the opportunity to race down the plastic tubes.</p> <p>Please give us two weeks notice if you would like to use the tube slides because we will need to coordinate the schedules between all groups here and make sure that we have the appropriate number of sleds.</p>

<p>Teepee</p> <p>Located near the amphitheater, the teepee provides a great place to shelter from light rain, cut out distractions, or to provide context for a class on Native Americans.</p> <p>The teepee can hold 20 people comfortably.</p>

<p>Trading Post</p> <p>The Camp Edwards Trading post is a great place for students to pick up souvenirs from their trip to Camp Edwards. We offer a variety of items from postcards(\$.50) to sweatshirts(\$35)</p> <p>We can set up an order ahead of time or let your students go to the trading post and shop. Snacks and ice cream are available if you let us know at least 1 week in advance.</p>

<p>Luggage Depot</p> <p>The luggage depot is a great place to store the luggage on those change over days. After you check out of your housing before breakfast on your last day, we will mark a section(s) for your students to store their luggage based on how they will be transporting their luggage home. The depot is covered to protect from rain and snow and provides a central location for luggage.</p>

<p>Archery Ranges (William Tell and Robin Hood) – reserved separately</p>	
<p>Each archery range has 4 targets and has the capacity to run a class of 20 people easily. We provide straight and recurve bows along with arrows for the archery class. Archery needs to be run by a Camp Edwards staff or by a school representative that has been trained by Camp Edwards.</p>	

<p>Group Initiative Courses – reserved separately</p>	
<p>We have two different group initiative courses at Camp Edwards. Course 1 is located in front of Hoffer Lodge while course 2 is located above the archery range.</p> <p>Course 1 and 2 contain very similar team building elements but if you have questions about what exactly they contain please refer to the Group Initiative Course Map.</p>	

<p>Low Rope Courses – reserved separately</p>	
<p>Our two low ropes courses provide a great opportunity for students to challenge themselves while the rest of the group encourages and keeps them safe.</p> <p>Low Ropes Course 1 and 2 do contain different elements, please refer to the low ropes course map if you would like to know specifics.</p>	

<p>Amphitheater</p>	
<p>The amphitheater provides a great location for a large group meeting area. It can hold around 200 people comfortably. The amphitheater has a campfire circle, lights, and a sound system that are available for your use.</p>	

<p>Camphitheater</p>	
<p>Just a short 7-minute walk away from Hoffer Lodge is the Camphitheater. This rustic campfire circle can seat 80 students and is a great location for a classic campfire production or as a starting point for night hikes in the pine forest.</p>
